And the El Dorado County Environmental Management Department

Items Accepted:

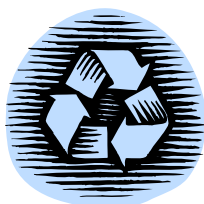

Motor Oil/Filters/Automotive Liquids • Solvents/Thinners • Paint/Stain • Aerosols • Photo and Pool chemicals • Pesticides/Herbicides • Cleaning Products • Fluorescent/Sodium Lights • Batteries

Items Not Accepted:

Household Appliances • Tires • Radioactive Materials • Infectious Medical Wastes • Explosives
Compressed Gas Cylinders • Electronic Waste • Business Waste

To safely transport your hazardous waste please:

1. Do not transport more than 15 gals or 125 lbs in containers less than or equal to 5 gallons.
2. Do not mix wastes together.
3. Use sound, sealed containers.
4. Use original containers properly labeled with contents. If not using original container, cover up the original label and write contents on the container.
5. Place containers in a cardboard box. Glass containers should be wrapped in cloth or newspaper.
6. Place the cardboard box in the trunk of your car or in the bed of your pickup truck. Keep waste away from passengers.
7. Provide ventilation by opening a window.
8. Follow directions once you reach the collection site.
9. At the site, staff will unload the waste from your vehicle. You will be asked to stay inside your vehicle.
