Mr. Bill Sturch

El Dorado Hills, CA 95762

Dear Mr. Sturch:

This letter is to inform you of the actions that we have taken since your inquiry to the Board of Directors in April of this year regarding our Department's support of veterans. As a veteran, I too am concerned with the challenges that my fellow service members face as they transition to civilian life. I am proud to report to you that since your inquiry, our Department has formalized hiring and mentoring practices that will grant veterans the assistance that they have earned.

In regards to hiring veterans, our Department has officially adopted the federal guidelines included in Title 5 of the U.S. Code, commonly referred to as "veterans' preference". This means that honorably discharged veterans are given extra points on their employment test that will translate to a higher position on the hiring list. This will result in a direct advantage for veterans applying for all entry-level positions.

In addition, we have begun an outreach program with local fire and emergency medical service (EMS) educational institutions to offer advice and mentoring to veterans seeking a career in firefighting and EMS. We are also advertising our program at the veterans' resource centers in El Dorado County and greater Sacramento County.

Finally, rest assured that your fellow veterans are already well represented at the El Dorado Hills Fire Department. Fourteen percent of our firefighters are veterans, double the national representation of seven percent. I can personally attest to the respect and admiration that this Department shows to our nation's veterans.

Thank you for your inquiry; and please feel free to contact me with any questions or concerns.

Sincerely,

Chris Landry

**Regarding: Potential Restructuring/Consolidation of Fire Districts**

Dear Chief Combs, Director Hoff, Chief Keating & Director Walker:

We are in receipt of the Diamond Springs – El Dorado Fire Protection District letter dated April 16, 2013 regarding the potential combination of our Districts. Our Board of Directors and our Fire District is always open for discussions on these types of proposals. As with your agencies, it is our constant goal to provide the best possible service to our community. We realize that consolidations and annexations can improve efficiencies, increase capabilities, and in the long term, save operational costs resulting in a win-win for the Districts and the tax payers (our customers).

We look forward to a joint meeting with representatives from your Districts to start formal discussions about a potential merger. In the essence of time, I have taken the liberty to schedule a meeting for Monday, June 17 at Noon. The El Dorado Hills Fire Department will provide the meeting room and lunch. Please let me know if this time is acceptable.

I suggest that this “kick-off” meeting include the Fire Chief, and at a minimum, one Board Member from each District. After this initial discussion, we can officially go back to our respective organizations and formalize the path forward which may be an Ad Hoc Committee assigned from each organization.

Sincerely,

David C. Roberts, Fire Chief

Dear Chief Roberts,

We would like to congratulate you on the purchase of your new aerial truck. We are very interested in negotiating with you when you are ready to surplus the 2001 Quint. Since the Quint was purchased for the citizens of El Dorado County with tax payer's money, we would like the citizens of El Dorado County to continue to benefit from the use of this equipment. As you know, we have recently retired our 1981 aerial apparatus and are in dire need of a ladder truck to service the new and existing three story buildings in our region. We understand that the Quint has had higher than normal maintenance costs however; we do not intend to use it as a first out piece of equipment.

Please contact me to discuss the issue further.

Sincerely,

Robert Combs

**Note:** The target of a 6 minute response time to 90% of code 3 emergency calls (a lights and sirens, 911 emergency) was adopted by past administrations and Board of Directors based on NFPA 1710 guidelines. The NFPA 1710 sets these guidelines based on statistics that both fires and critical medical emergencies have the best outcome if contact is made within this time frame. Fire stations were strategically located throughout the District with this target in mind. It is important to note that there are several factors that can affect the 6 minute response target such as having to put on safety gear, responding to calls during the night or not being in quarters at the time of the call.

Re: Contribution to 2013 Toast to Education

Thank you for your generous contribution to our 4<sup>th</sup> Annual Toast to Education auction & raffle for the benefit of the Buckeye Education Foundation. But for your generosity, we would not have raised the \$65,000 + that will directly benefit the approximately 4700 students in the Buckeye Union School District. Help from people & businesses who care like you is what will make it possible for the Buckeye Education Foundation to continue to fund library & PE programs as well as plan for future technology updating on all 7 campuses in the Buckeye District. Please consult your tax specialist for any possible benefit to you for your contribution.

The Buckeye Education Foundation is a 501(c) (3) tax-exempt non-profit, (Tax ID #27-1254269). Contributions of goods and services are deductible for income tax purposes to the extent allowed by law. Please consult your tax specialist for any possible benefit to you for your contribution of the Private Party. This letter will serve as your receipt for tax purposes and certify that that you did not receive any goods or services in exchange for your donation.

Thank you on behalf of the children of the Buckeye Union School District and the Buckeye Education Foundation.

Sincerely,

*Shannon Yoffie*

Dear Stephanie:

The Jackson Elementary PTO Board and the Boots, BBQ 'n' Boogie Planning Posse express their deepest appreciation for your donation of the auction item(s):

Firefighter for a Day

Your donation was sold at Boots, BBQ 'N' Boogie 2013 on April 13, 2013. We sincerely thank you for your support in providing enrichment programs that lead to higher academic performance at Jackson Elementary School. Collaboration from local businesses is essential in giving children the high quality educational opportunities they deserve. We have encouraged our parent community to support you in the same way you have supported our children.

Over the past 5 years, schools like Jackson have endured educational budget cuts. Despite these difficult economic times, you and over 140 other local businesses stepped up to make a difference.

Your contributions helped us have our most successful fundraising year on record. The Boots, BBQ 'n' Boogie event alone raised approximately \$40,000!

Thank you for supporting our community's most important asset ... our children!

Sincerely,

Vanessa Nichols  
Jackson PTO President

MAY 17 2013

On behalf of the El Dorado Hills Senior Council, a big **THANK YOU** again for the service of your department which helped to make our Spring Fling Luncheon on May 3 such a success.

Over two hundred senior citizens from our community attended this event at the El Dorado Hills Community Center. We always enjoy going out for a good inexpensive lunch superbly served by the El Dorado Hills Fire Department, being entertained, and having a chance to win a door prize. We are very fortunate to have the support in our community, without which we couldn't begin to offer the array of functions and programs we enjoy.

Thank you again for your support!

Gratefully,

Linda Dennis  
Council Secretary
