Training Division Update

The training topic for the month of February was residential structure firefighting. Personnel reviewed SOGs on ground ladders and aerial ladder operations, as well as manipulative training drills. Personnel also trained on forcible entry/exit drills, using the “door prop”. The Battalion Chiefs conducted drills on hose, ladders, and forcible entry with their respective shift’s/crews (depicted in the picture below).

Personnel also trained on the following EMS topics; Pulseless Electrical Activity (PEA), narrow complex tachycardia, bradycardia, chest pain/acute coronary syndrome, and congestive heart failure/pulmonary edema. Manipulative skills were practice which included interosseous injection, needle cricothyrotomy, and endo-tracheal intubation.

Crews/personnel continue to use and benefit from the Command Training Center (CTC) in the discipline of structural firefighting using the Department’s fire simulation program.

OVERVIEW

The El Dorado Hills Fire Department, Community Risk Reduction Division (CRRD) continues to see significant residential development and vegetation management program activity throughout the reporting period. Major construction activity occurred in the Saratoga Estates, Serrano, Carson Creek, Bell Ranch and Sienna Ridge areas of the District. The Town Center Apartment construction project continues to require significant staff commitment to review plans and complete construction inspections. Phase 1 of this project is anticipated to be completed in March, 2021, with Phase 2 being completed in the Summer of 2021.

CRRD completed 1 defensible space inspection throughout the District. CRRD also investigated 1 Defensible Space citizen complaint on behalf of the County of El Dorado as part of their Vegetation Management program. We continue to support the local business community, upon request, in response to COVID-19 business related changes to ensure that they do not conflict with fire safety regulations of the District.

CRRD staff and 7 CERT members assisted with one Community COVID-19 Vaccination Clinic event at Station 86 in the month of February.

Dear fire fighters,
Thank you for risking
your own life for
others! Thank you for
protecting us! Thank you
for helping and being heroes!
Thank you for taking big
risks and inspiring us. Thank you
you may not be recognised
by name, but all together
you are our heroes! Thank
you for being brave and
inspiring and kind! Thank you
for everything you do!

Best regards,
Madi Soh,
