EL DORADO HILLS COUNTY WATER DISTRICT

Board of Directors Policy Manual

POLICY 1

Purpose of Board Policies

1.1 It is the intent of the Board of Directors of the El Dorado Hills County Water District (aka El Dorado Hills Fire Department) to maintain a Manual of Board Policies. This Manual does not include the Operational Policies which govern the day to day District Operations. Contained herein is a comprehensive listing of the Board's current policies, being the rules and regulations governing the Board's activities, enacted by the Board from time to time. The Manual of Board Policies will serve as a resource for Directors, staff and members of the public in determining the manner in which matters of District business are to be conducted. Each newly elected Director of the Board should be issued a copy of this Policy Manual, a copy of the Districts By-Laws, a copy of the Institute for Local Self Government document entitled "Everyday Ethics for Local Officials (Finding your way)", and a copy of the Brown Act Laws by the District Secretary (or their delegate) at the time of the Director's swearing of the Oath of Office.

1.2 If any policy or portion of a policy contained within the Manual of Board Policies is in conflict with rules, regulations or legislation having authority over El Dorado Hills County Water District, said rules, regulations or legislation shall prevail.

POLICY 2

Adoption/Amendment of Policies

2.1 Consideration by the Board of Directors to adopt a new policy or to amend an existing policy may be initiated by any Director. The proposed adoption or amendment shall be initiated by a Director submitting a written draft of the proposed new or amended policy to each Director by way of the District office, and requesting that the item be included for consideration on the agenda of the next appropriate regular meeting of the Board of Directors.

2.2 Adoption of a new policy or amendment of an existing policy shall be accomplished at a regular meeting of the Board of Directors and shall require a majority affirmative vote of the entire Board of Directors.

2.3 Copies of the proposed new or amended policy shall be included on the agenda and in the information packet for any meeting in which they are scheduled for consideration (listed on the agenda). A copy of the proposed new or amended policy(ies) shall be made available to each Director for review at least three (3) days prior to any meeting at which the policy(ies) are to be considered.

POLICY 3
Conflict of Interest

3.1 The Political Reform Act, Government Code §81000, et seq., requires state and local government agencies to adopt and promulgate conflict-of-interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. §18730) which contains the terms of a standard conflict of interest code. It can be incorporated by reference and may be amended by the Fair Political Practices Commission after public notice and hearings to conform to amendments in the Political Reform Act. Therefore, the terms of 2 Cal. Code of Regs. §18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, along with the attached Appendix A in which members of the Board of Directors are designated, and in which disclosure categories are set forth, constitute the conflict of interest code of the El Dorado Hills County Water District.

3.2 Board Resolution 91-7 was established to help define the continued role that a newly elected or appointed Board of Director who served as a volunteer firefighter could maintain. The El Dorado Hills Firefighters Association (EDHFA) maintains a set of Bylaws that define 4 classifications of membership (Active, Inactive, Life and Honorary). Honorary members constitute the elected or appointed Directors of the District. A Board member may also qualify as a Life Member, due to their previous service. The El Dorado Hills Firefighters Foundation was formed as an independent body from the EDHFA and is a 501c(3) tax exempt organization. Board members may continue to serve the EDHFA or the Foundation without restriction, as long as they comply with Resolution 91-7.

POLICY 4
Public and Policy Complaints

4.1 The Board of Directors desires that public and policy complaints are resolved at the lowest possible administrative level and that the method for resolution of complaints is logical and systematic.

4.2 A public complaint is an allegation by a member of the public of a violation or misinterpretation of a District policy, state, or federal statute of which the individual has been adversely affected.

4.3 A policy complaint is an allegation by a member of the public of a violation or misinterpretation of a District policy, state or federal statute by which the individual has been adversely affected.

4.4 The method of resolving complaints shall be as follows:

- (a) The individual with a complaint shall first discuss the matter with the Fire Chief or his/her designee with the objective of resolving the matter informally.
- (b) If the complaint cannot be resolved informally, the Fire Chief shall take action resolve the complaint on a formal basis and communicate to the Board President the results of such disposition.
- (c) If the individual registering the complaint is not satisfied with the formal disposition of the complaint by the Fire Chief, they may request consideration

by the Board of Directors by filing said appeal in writing within thirty (30) days of receiving the Fire Chief's decision. The Board may consider the matter at the next regular meeting or call a special meeting. In making the final decision, the Board may conduct conferences, hear testimony, and utilize the transcripts of written documentation. The Board's final decision shall be documented in writing with the complainant being provided a copy.

4.5 This policy is not intended to prohibit or deter a member of the community or staff member from appearing before the Board to verbally present a testimony, complaint, or statement in regard to actions of the Board, District programs and services, or impending considerations of the Board.

POLICY 5

Copying Public Documents

5.1 Individuals requesting copies of public documents consisting of more than 25 pages shall be charged ten cents (10¢) per sheet copied for black and white copies and fifty cents (50¢) per sheet for color copies to defray expenses associated with the copying process.

5.2 Copies of agendas and other writings (except for privileged documents) distributed to a majority of the Board of Directors at open Board meetings shall be made available to the public. A limited quantity of such documents (based on normal audience attendance) shall be copied in advance of each meeting and made available to the public in attendance at no charge. Individuals requesting copies of such documents prior to the Board meeting shall be charged ten cents (10¢) per sheet for black and white copies and fifty cents (50¢) per sheet for color copies. The copy charge will be levied at Board meetings for copies of documents if more are needed and/or requested in addition to those normally prepared for the public at Board meetings.

5.3 Copies of audio recordings of the meetings shall be made available to the public, consistent with the Board's policy for retention (see Section 23). Individuals requesting copies of an audio tape shall be charged the actual reproduction costs.

POLICY 6

Public Contributions

6.1 Donations from members of the public to the District for a public purpose that is within the scope of the District's responsibilities will be accepted. The Chief Financial Officer will provide a receipt for said donation and include the District's tax identification number thereon. As an alternative, tax deductible donations (State qualified 501c(3) non-profit organization) may be made through the El Dorado Hills Firefighters Foundation.

6.2 Donations must be clearly marked as such.

6.3 By accepting donations, the District is not claiming to be qualified by the Internal Revenue Service as being a charitable organization for which donations may be considered tax deductible. Determination of how donations to the District are to be treated relative to the donor's tax liability is strictly the responsibility of the donor.

POLICY 7
Governance Roles

7.1 There are important distinctions to be made between the Board's role and that of the Fire Chief and staff. The Board and the Fire Chief team together to ensure that the District has effective leadership. Just as Board members should govern and not manage the District, the Fire Chief should not administer the District in isolation from the Board.

7.2 Board members have collective and not individual authority. Authority to make decisions is only granted to the Board as a whole. The full Board gives direction to the Fire Chief through decisions reached at Board meetings. Individual Board members do not have the authority to direct the Fire Chief or any other staff member unless otherwise agreed to by the Board and the Fire Chief.

7.3 The role of the Fire Board is not to run the fire stations but to see that the fire stations are well run. Working as the governance team, the Fire Chief and Board leverage the efforts of the professional staff by setting direction for the District that is reflective of the community's needs.

7.4 Recognizing the importance of selecting the best personnel available for all Chief Officer (excluding Battalion Chiefs) and the Director of Finance positions, the Board shall participate in the selection process and in establishing the starting wage for these positions within the established and approved public salary schedule. An Ad-hoc committee shall be defined by the Board President to work with the Fire Chief and other staff (as appropriate) for this purpose. The Board's participation shall be limited to a go/no-go determination based upon the review of the applicants' qualifications, (i.e. submitted resumes and cover letters from amongst the highest ranked two or three candidates) and background checks (as applicable). Starting wage offers within the established public salary schedule shall be reviewed for approval by the Board prior to the offer being made to the applicant.

7.5 Board members must be cognizant of their role as an appellant body. They shall, therefore, refrain from any activity that would compromise their ability to fairly and impartially evaluate any disciplinary action or grievance procedure defined within operational policies.

POLICY 8
Code of Ethics

8.1 The Board of Directors of the El Dorado Hills County Water District is committed to providing excellence in legislative leadership that result in the provision of the highest quality services to its constituents. In order to assist in the governance of the behavior between and among members of the Board of Directors, the following rules shall be observed:

- (a) The dignity, style, values and opinions of each Director shall be respected.
- (b) Responsiveness and attentive listening in communication is encouraged.
- (c) The needs of the District's constituents should be the priority of the Board of Directors.

- (d) The primary responsibility of the Board of Directors is the formulation and evaluation of policy. Routine matters concerning the operational aspects of the District are to be delegated to professional staff members of the District.
- (e) Directors should commit themselves to emphasizing the positive and avoiding negative forms of interaction.
- (f) Directors should commit themselves to focusing on issues and not personalities. The presentation of the opinions of others should be encouraged. Cliques and voting blocks based on personalities rather than issues should be avoided.
- (g) Differing viewpoints are healthy in the decision-making process. Individuals have the right to disagree with ideas and opinions, but without being disagreeable. Once the Board of Directors takes action, Directors should commit to supporting said action and not to create barriers to the implementation of said action.
- (h) Directors should practice the following procedures:
 - (i) In seeking clarification on informational items, Directors may directly approach professional staff members by working through the Chain of Command to obtain information needed to supplement, upgrade, or enhance their knowledge to improve legislative decision-making.
 - (ii) In handling complaints from residents and property owners of the District, said complaints should be referred directly to the Fire Chief.
 - (iii) In handling items related to safety, concerns for safety or hazards should be reported to the Fire Chief or to the District office. Emergency situations should be dealt with immediately by seeking appropriate assistance.
 - (iv) In presenting items for discussion at Board meetings, see Policy No. 19 and 20.
 - (v) In seeking clarification for operational policy-related concerns, especially those involving personnel, legal action, land acquisition and development, finances, and programming, said concerns should be referred directly to the Fire Chief.
- (i) When approached by District personnel concerning specific District policy, Directors should direct inquiries to the appropriate staff supervisor. The chain of command should be followed.
- (j) Board members should refrain from endorsements of political candidates or ballot measures using their District Board title. Where deemed important to the District's best interests, the Board member seeking to provide a political endorsement using their District title shall request the approval of a majority of the Board members.

- (k) Board members should provide courtesy notifications to the appropriate District staff and/or the Board President of known absences, late arrival (tardiness) or early departure from any agenda regular, special or assigned committee meetings.
- 8.2 The work of the District is a team effort. All individuals should work together in the collaborative process assisting each other in conducting the affairs of the District.
- (a) When responding to constituent requests and concerns, Directors should be courteous, responding to individuals in a positive manner and routing their questions through appropriate channels and to responsible management personnel.
 - (b) Directors should develop a working relationship with the Fire Chief wherein current issues, concerns and District projects can be discussed comfortably and openly.
 - (c) Directors should function as a part of the whole. Issues should be brought to the attention of the Board as a whole, rather than to individual members selectively.
 - (d) Directors are responsible for monitoring the District's progress in attaining its goals and objectives while pursuing its mission.
 - (e) While working collaboratively with District Staff, the following practices should be honored by the Board members to ensure proper separation between the Board's role and Staff's role:
 - (i) Board members should not use any form of an internal e-mail account to receive, transmit or otherwise gain information related to internal district operations.
 - (ii) Board members should refrain from using their position to encourage any form of nepotism.
 - (iii) Board members should always advocate for the better good of the public's interest and refrain from exclusively advocating for internal departmental interests (i.e. staff, association, volunteers).
 - (iv) Board members should be cognizant of their role when using district facilities and in other interactions which are not Board authorized (i.e. casual communications while in district facilities).

POLICY 9
Attendance at Meetings

9.1 Members of the Board of Directors shall attend all regular and special meetings of the Board unless there is good cause for absence.

9.2 A vacancy shall occur if any member ceases to discharge the duty of his/her office for the period of three consecutive months, except as authorized by the Board of Directors, and as provided by Government Code Section 1770.

9.3 Telephonic attendance at Board meetings is permissible, but strongly discouraged, and should be utilized by Board members only when uncontrollable circumstances make personal attendance impossible. Board members shall endeavor to attend regularly scheduled meetings in person. Telephonic attendance at special meetings is also discouraged. Members intending to telephonically participate must provide the District Secretary with seven days (168 hours) advance notice to ensure that the meeting agenda and public notice meet applicable Government Code requirements.

POLICY 10
Expenditure Pre-Approval and Reimbursement

10.1 Purpose. The purpose of this policy is to prescribe the manner in which directors may request pre-approval and be reimbursed for expenditures related to District business.

10.2 Scope. This policy applies to the Board of Directors and is intended to result in no personal gain or loss to a Director.

10.3 Implementation. Prior to registering and/or committing to travel and lodging costs for District Business, the director shall request approval from the full board for attendance at the desired function. Once authorized by a majority of the Board, the travel can be booked. Whenever Directors desire to be reimbursed for out-of-pocket expenses for item(s) or service(s) appropriately relating to District business, they shall submit their requests on a reimbursement form approved by the Board President. Included on the reimbursement form will be an explanation of the District-related purpose for the expenditure(s), and receipts evidencing each expense shall be attached.

- (a) All expenses must be reasonable and necessary, and Directors are encouraged to exercise prudence in all expenditures.
- (b) The most economical mode and class of transportation reasonably consistent with scheduling requirements will be used. In the event a more expensive class of transportation is used, the reimbursable amount will be limited to the cost of the most economical class of transportation available. Reimbursement for use of personal vehicles will be at the applicable IRS-approved rate.
- (c) Expenditures for food and lodging will be moderate and reasonable and will conform to the Employee Travel section of the Employee Handbook.

POLICY 11
Training, Education and Conferences

11.1 Members of the Board of Directors are encouraged to attend educational conferences and professional meetings when the purposes of such activities are to improve District operation. Hence, there is no limit as to the number of Directors attending a particular conference or seminar when it is apparent that their attendance is beneficial to the District.

11.2 It is the policy of the District to encourage Board development and excellence of performance by reimbursing actual and necessary expenses incurred for tuition, travel, lodging and meals as a result of training, educational courses, participation with professional organizations, and attendance at local, state and national conferences associated with the interests of the District. Cash advances or use of District credit cards for these purposes is not permitted. Expense reimbursement for Board Members shall be consistent with the Reimbursement Policy applicable to District employees in the Employee Travel section of the Employee Handbook as well as this policy. In the event of a conflict, the more stringent policy shall apply.

11.3 All expenses for which reimbursement is requested by Directors, or which are billed to the District by Directors, shall be submitted to the Chief Financial Officer, together with validated receipts.

11.4 As defined in Policy No. 10, attendance by Directors of seminars, workshops, courses, professional organization meetings, and conferences shall be pre-approved prior to incurring any reimbursable costs.

11.5 Expenses to the District for Board of Directors' training, education and conferences should be kept to a minimum by utilizing recommendations for transportation and housing accommodations suggested by the Chief Financial Officer and by:

- (a) Utilizing hotel(s) recommended by the event sponsor in order to obtain discounted rates.
- (b) Directors traveling together or with staff whenever feasible and economically beneficial.
- (c) Requesting reservations sufficiently in advance to obtain discounted air fares and hotel rates.

11.6 A Director shall not attend a conference or training event for which there is an expense to the District if it occurs after they have announced their pending resignation, or if it occurs after an election in which it has been determined that they will not retain their seat on the Board. A Director shall not attend a conference or training event when it is apparent that there is no significant benefit to the District.

11.7 Upon returning from seminars, workshops, conferences, etc., where expenses are reimbursed by the District, Directors will provide either a written or a verbal report at the next regular meeting of the Board under Director's Items (per the meeting agenda). Said report shall describe what was learned at the session(s) that will be of benefit to the District. Pertinent materials/handouts/training manuals from the session(s) should be delivered to the District office for copying and inclusion in the District's Administrative library for potential future use by other Directors, staff or the public.

- 11.8 In addition to the above, all reimbursements are subject to the provisions of Government Code § 53232.2 which provides as follows:

§ 53232.2 Local agencies; reimbursement of members of legislative body for expenses incurred in performance of official duties; written policy; reimbursement rates; costs incurred at own expense:

- (a) When reimbursement is otherwise authorized by statute, a local agency may reimburse members of a legislative body for actual and necessary expenses incurred in the performance of official duties, including, but not limited to, activities described in Article 2.4 (commencing with section 53234).
- (b) If a local agency reimburses members of a legislative body for actual and necessary expenses incurred in the performance of official duties, then the governing body shall adopt a written policy, in a public meeting, specifying the types of occurrences that qualify a member of the legislative body to receive reimbursement of expenses relating to travel, meals, lodging, and other actual and necessary expenses.
- (c) The policy described in subdivision (b) may also specify the reasonable reimbursement rates for travel, meals, and lodging, and other actual and necessary expenses. If it does not, the local agency shall use the Internal Revenue Service rates for reimbursement of travel, meals, lodging, and other actual and necessary expenses as established in Publication 463 or any successor publication.
- (d) If the lodging is in connection with a conference or organized educational activity conducted in compliance with subdivision (c) of Section 54952.2, including, but not limited to, ethics training required by Article 2.4 (commencing with Section 53234), lodging costs shall not exceed the maximum group rate published by the conference or activity sponsor, provided that lodging at the group rate is available to the member of a legislative body at the time of booking. If the group rate is not available, the member of a legislative body shall use comparable lodging that is consistent with the requirements of subdivisions (c) and (e).
- (e) Members of the legislative body shall use government and group rates offered by a provider of transportation or lodging services for travel and lodging when available.
- (f) All expenses that do not fall within the adopted travel reimbursement policy or the Internal Revenue Service reimbursable rates as provided in subdivision (c), shall be approved by the governing body, in a public meeting before the expense is incurred, except as provided in subdivision (d).
- (g) If a member of a legislative body chooses to incur additional costs that are above the rates established pursuant to this section and those costs have not been approved pursuant to subdivision (f), then the member of a legislative body may do so at his or her own expense.
- (h) This section shall not supersede any other laws establishing reimbursement rates for local agencies.

POLICY 12

14.5 Directors shall abstain from participating in consideration on any item involving a personal or financial conflict of interest. Unless such a conflict of interest exists, however, Directors should not abstain from the Board's decision-making responsibilities.

A majority vote by the Board of Directors may terminate any Board meeting at any place in the agenda to any time and place specified in the order of adjournment, except that if no Directors are present at any regular or adjourned regular meeting, the Fire Chief may declare the meeting adjourned to a stated time and place, and he/she shall cause a written notice of adjournment to be given to those specified in Policy No. 18.2.2 above.

19.5 Annual Election of Board Officers. The Board of Directors shall elect officers annually at their regular December meeting, unless otherwise deferred by a majority vote of the Board. At this meeting, the Board will elect a President, Vice President, and establish standing committee assignments from among its members to serve during the coming calendar year. The Board President shall set the standing committee and ad hoc committee assignments.

19.6 The Board President shall determine the order in which agenda items shall be considered for discussion and/or action by the Board.

19.7 The President and the Fire Chief shall ensure that appropriate information is available for the audience at meetings of the Board of Directors and that physical facilities for said meetings are functional and appropriate.

POLICY 20
Fire Chief's Annual Performance Evaluation

20.1 The Board shall conduct an annual performance evaluation for the Fire Chief and provide feedback to him/her. Each Board member shall individually provide a written evaluation of the Fire Chief in the format provided by the Administrative Committee. In no circumstance shall a Board member be relieved of this duty to perform a complete and thorough objective evaluation. The Administrative Committee shall compile the Board member feedback into one final evaluation document. The full Board shall review the evaluation and meet with the Fire Chief in closed session to discuss the results and establish developmental goals for the next year.

20.2 A template of the Fire Chief evaluation process including timeliness is available through District staff.

POLICY 21
Consequences of Policy Violation

21.1 Board members shall comply with all Board Policies and applicable Operations Policies. If a Board member is suspected of violating a Board Policy, they shall be notified (confidential discussion) of such by the Board President or Vice President (if the Board President is involved). If a Board member is suspected of violating an Operations Policy, the Fire Chief (and his/her designee) shall notify the affected Board Member(s) (confidential discussion) and subsequently contact the Board President or Vice President (if the Board President is involved) or the District's legal Counsel (if both the Board President and Vice President are involved).

21.2 Potential consequences to be administered following review by the full Board include, but are not limited to:

- a. Public Letter of Reprimand
- b. Vote of No-Confidence
- c. Resolution of Censure

POLICY 22
Board Meeting Agenda

22.1 The District Secretary, in cooperation with the Board President, shall prepare a draft agenda for each regular and special meeting of the Board of Directors at least 168 hours (7 days) prior to a regular meeting. Any Director may call the Board President and request any item to be placed on the agenda no later than 168 hours (7 Days) prior to the regular meeting date. The Board president shall set the final agenda and authorizes its distribution at least 72 hours before the regular meeting.

22.2 Any member of the public may request that a matter directly related to District business be placed on the agenda of a regularly scheduled meeting of the Board of Directors, subject to the following conditions.

- (a) The request must be in writing and be submitted to the Fire Chief together with supporting documents and information, if any, at least seven business days prior to the date of the meeting;

- (b) The Fire Chief shall review the request as to whether the item is a "matter directly related to District business", and forward a recommendation to the Board President on inclusion or exclusion of the item from the Board's agenda. If the item is excluded from the agenda the Board may, by a four-fifths majority vote (or a unanimous vote of those remaining if four-fifths of the Board is not present) add the item to that meeting's agenda if the Board determines that there is need to resolve the issue immediately and that it could not reasonably wait until the Board's next regular meeting or a Special Meeting called to address the issue in question. Any Director may request that the item be placed on the agenda of the Board's next regular meeting.
- (c) No matter which is legally a proper subject for consideration by the Board in closed session will be accepted under this policy;
- (d) The Board of Directors may place limitations on the total time to be devoted to a public request issue at any meeting and may limit the time allowed for any one person to speak on the issue at the meeting.

22.3 This policy does not prevent the Board from taking testimony during the public comments section of the agenda at regular and special meetings of the Board on matters which are not on the agenda which a member of the public may wish to bring before the Board. Members of the Board may provide a short response in order to provide background information or refer the matter to another agency but shall not deliberate upon or take action on such matters at that meeting.

22.4 At least 72 hours prior to the time of all regular meetings, an agenda, which includes but is not limited to all matters on which there may be discussion and/or action by the Board, shall be posted conspicuously for public review at all of the District's Fire Stations such that it is visible from the outside of the Station's main entrance.

- (a) The agenda for a special meeting shall be posted at least 24 hours before the meeting in the same locations.

POLICY 23
Board Meeting Conduct

23.1 Meetings of the Board of Directors shall be conducted by the President in a manner consistent with the policies of the District. Policy No. 24, "Rules of Order for Board and Committee Meetings", shall be used as a general guideline for meeting protocol.

23.2 All Board meetings shall commence at the time stated on the agenda and shall be guided by same.

23.3 The conduct of meetings shall, to the fullest extent possible, enable the Directors to:

- (a) Consider problems to be solved, weigh evidence related thereto, and make informed decisions intended to solve the problems; and,
- (b) Receive, consider and take any needed action with respect to reports of accomplishment of District operations.
- (c) Focus on the agenda item at hand and refrain from allowing discussions to expand into areas not specifically covered by the agenda.

23.4 Provisions for permitting any individual or group to address the Board concerning any item on the agenda of a special meeting, or to address the Board at a regular meeting on any subject that lies within the jurisdiction of the Board of Directors, shall be as follows:

- (a) Comments shall be limited to three minutes per person and twenty minutes for all comments, unless otherwise authorized by the Board.
- (b) No boisterous conduct shall be permitted at any Board meeting. Persistence in boisterous conduct shall be grounds for summary termination, by the President, of that person's privilege of address.
- (c) No oral presentation shall include charges or complaints against any District employee, regardless of whether or not the employee is identified in the presentation by name or by another reference which tends to identify. All charges or complaints against employees shall be submitted to the Fire Chief under provisions contained in Policy No. 4.

23.5 Willful disruption of any of the meetings of the Board of Directors shall not be permitted. If the President finds that there is in fact willful disruption of any meeting of the Board, he/she may order the disrupting parties out of the room and subsequently conduct the Board's business without them present.

- (a) After clearing the room of disruptive individuals, the President may permit those persons who, in his/her opinion, were not responsible for the willful disruption to remain in the meeting room.
- (b) Duly accredited representatives of the news media, whom the President finds not to have participated in the disruption, shall be permitted to remain in the meeting.

(c) During closed sessions, the Directors must:

- (i) Maintain complete confidentiality of all discussions held with the exception of reporting back in open session the board direction or action taken.
- (ii) Be diligent in sticking to the agendized subject, and stopping any discussion which may stray from the agenda.

POLICY 24
Board Actions and Decisions

24.1 Actions by the Board of Directors include but are not limited to the following:

- (a) Adoption or rejection of regulations or policies;
- (b) Adoption or rejection of a resolution;
- (c) Adoption or rejection of an ordinance;
- (d) Approval or rejection of any contract or expenditure;
- (e) Approval or rejection of any proposal which commits District funds or facilities, including employment and dismissal of personnel; and,
- (f) Approval or disapproval of matters that require or may require the District or its employees to take action and/or provide services.

24.2 Action can only be taken by the vote of the majority of the Board of Directors. Three (3) Directors represent a quorum for the conduct of business. Actions taken at a meeting where only a quorum is present, therefore, require all three votes to be effective (unless a 4/5 vote is required by policy or other law).

- (a) A member abstaining in a vote is considered as absent for that vote.
 - (i) Example. If three of five Directors are present at a meeting, a quorum exists and business can be conducted. However, if one Director abstains on a particular action and the other two cast "aye" votes, no action is taken because a "majority of the Board" did not vote in favor of the action.
 - (ii) Example. If an action is proposed requiring a four-fifths vote and two Directors abstain, the proposed action cannot be approved because four of the five Directors would have to vote in favor of the action.
 - (iii) Example. If a vacancy exists on the Board and a vote is taken to appoint an individual to fill said vacancy, three Directors must vote in favor of the appointment for it to be approved. If two of

the four Directors present abstain, the appointment is not approved.

24.3 The Board may give directions that are not formal action. Such directions do not require formal procedural process. Such directions include the Board's directives and instructions to the Fire Chief.

- (a) The President shall seek consensus prior to stating a Board directive. When consensus cannot be reached, the President shall establish the direction. In all cases, the President shall state the direction for clarification and recording into the meeting minutes. Should any two Directors challenge the statement of the President, a voice vote may be requested.
- (b) A formal motion may be made to place a disputed directive on a future agenda for Board consideration, or to take some other action (such as refer the matter to the Fire Chief for review and recommendation, etc.).

POLICY 25 **Review of Administrative Decisions**

25.1 The provisions of §1094.6 of the Code of Civil Procedure of the State of California shall be applicable to judicial review of all administrative decisions of the Board of Directors pursuant to the provisions of §1094.5 of said code. The provisions of §1094.6 shall prevail over any conflicting provision and any otherwise applicable law, rule, policy or regulation of the District, affecting the subject matter of an appeal.

25.2 This policy affects those administrative decisions rendered by the Board of Directors governing acts of the District, in the conduct of the District's operations and those affecting personnel operating policies.

25.3 The purpose of this policy is to ensure efficient administration of the District, and the expeditious review of decisions rendered by the Board of Directors.

POLICY 26 **Minutes of Board Meetings**

26.1 The Secretary of the Board of Directors shall keep minutes of all regular and special meetings of the Board or may delegate to the Recording Secretary.

- (a) Copies of a meeting's minutes shall be distributed to Directors as part of the information packet for the next regular meeting of the Board, at which time the Board will consider approving the minutes as presented or with modifications. Once approved by the Board, the official minutes shall be maintained by the district indefinitely.
- (b) All regular and special meetings of the Board of Directors shall normally be audio recorded. These recordings shall be maintained for a minimum of 5 years from the date of the meeting. Copies of the recorded audio shall be made available to the public upon written request per Section 5 of this Policy Manual.

(c) Motions, resolutions or ordinances shall be recorded in the minutes as having individual votes to be recorded via roll call by the Secretary of the Board. All resolutions and ordinances adopted by the Board shall be numbered consecutively, starting new at the beginning of each year. In addition to other information that the Board may deem to be of importance, the following information (if relevant) shall be included in each meeting's minutes:

Date, place and type of each meeting;
Directors present and absent by name;
Administrative staff present by name;
Call to order;
Time and name of late arriving Directors;
Time and name of early departing Directors;
Names of Directors absent during any agenda item upon which action was taken;
Summary record of staff reports;
Summary record of public comment regarding matters not on the agenda, including names of commentators;
Approval of the minutes or modified minutes of preceding meetings;
Approval of financial reports;
Complete information as to each subject of the Board's deliberation;
Record of the voice vote on Motions;
Record of each Director's vote for Resolutions and Ordinances;
Resolutions and ordinances described as to their substantive content and sequential numbering;
Record of all contracts and agreements, and their amendment, approved by the Board;
Approval of the preliminary and final annual budget;
Approval of all policies, rules and/or regulations;
Approval of all dispositions of District assets;
Approval of all purchases of District assets;
All direction given by the Board to staff; and,
Time of meeting's adjournment.

26.2 Effective November 15, 2012, the Board adopted the agenda/action item format for future Board meeting minutes.

POLICY 27
Rules of Order for Board and Committee Meetings

27.1 General.

- (a) Action items shall be brought before and considered by the Board by motion in accordance with this policy. These rules of order are intended to be informal and applied flexibly. The Board prefers a flexible form of meeting and, therefore, does not conduct its meetings under formalized rules - Robert's Rules of Order.
 - (i) If a Director believes order is not being maintained or procedures are not adequate, then he/she should raise a point of order - not requiring a second - to the President. If the ruling of the President is not satisfactory to the Director, then it may be appealed to the Board. A majority of the Board will govern and determine the point of order.
 - (ii) Generally, matters brought before the Board will be announced by the President. The item will be presented by a Director or Staff member. The presentation will provide historical background, issues involved and a recommendation for appropriate action. Upon conclusion of the presentation, Board members will be allowed an opportunity to question the presenter and/or engage in Board discussion. Thereafter, the President shall open the item for public comment, at which point any member of the public may address the Board regarding the item. Reasonable time limits may be imposed upon public comment, both individual and cumulative. After hearing all who wish to address the Board, the item shall be closed to public comment and returned to the Board for discussion and action, as outlined below. The President may deviate from these rules as necessary to maintain order or to ensure that appropriate public input is received prior to Board action.

27.2 Obtaining the Floor.

- (a) Any Director desiring to speak should address the President and, upon recognition by the President, may address the subject under discussion.

27.3 Motions.

- (a) Any Director, including the President, may make or second a motion. A motion shall be brought and considered as follows:
 - (i) A Director makes a motion; another Director seconds the motion; and the Board Secretary restates the motion.

- (b) Once the motion has been restated by the Board Secretary, it is opened to Board discussion. The President will then call for the vote.
 - (i) If the public in attendance has had an opportunity to comment on the proposed action, any Director may move to immediately bring the question being discussed to a vote, suspending any further discussions. The motion must be made, seconded, and approved by a majority vote of the Board.

27.4 Secondary Motions. Ordinarily, only one motion can be considered at a time and a motion must be disposed of before any other motions or business is considered. There are a few exceptions to this general rule, though, where a secondary motion concerning the main motion may be made and considered before voting on the main motion.

- (a) Motion to Amend. A main motion may be amended before it is voted on, either by the consent of the Directors who moved and seconded, or by a new motion and second.
- (b) Motion to Table. A main motion may be indefinitely tabled before it is voted on by motion made to table, which is then seconded and approved by a majority vote of the Board.
- (c) Motion to Postpone. A main motion may be postponed to a certain time by a motion to postpone, which is then seconded and approved by a majority vote of the Board.
- (d) Motion to Refer to Committee. A main motion may be referred to a Board committee for further study and recommendation by a motion to refer to committee, which is then seconded and approved by a majority vote of the Board.
- (e) Motion to Close Debate and Vote Immediately. As provided above, any Director may move to close debate and immediately vote on a main motion.
- (f) Motion to Adjourn. A meeting may be adjourned by motion made, seconded, and approved by a majority vote of the Board before voting on a main motion.

27.5 Decorum.

- (a) The President shall take whatever actions are necessary and appropriate to preserve order and decorum during Board meetings, including public hearings. The President may eject any person or persons making personal, impertinent or slanderous remarks, refusing to abide by a request from the President, or otherwise disrupting the meeting or hearing.
- (b) The President may also declare a short recess during any meeting.

POLICY 28
Historical Board Approved Policies Related to Previous
Board Policies

28.1 All previous Board policies and resolutions that are not in conflict with this Board Policy Manual remain in full force. Previously adopted policies shall be liberally construed to effectuate consistency with this Policy Manual. Where clear and direct conflicts exist, this Policy Manual shall control.

ADDENDUM 3
(Adopted March 17, 2016, Revised March 17, 2022)
Reserve Fund Policy

The Board shall establish a policy to set aside sufficient funds for unforeseen significant operating expenditures, future capital replacement costs, contingent/underfunded pension and other benefit liabilities (hereinafter referred to as the “Reserve Fund Policy”).

This Reserve Fund Policy documents the Board’s approach to establishing and maintaining adequate financial reserves, including the methodology for calculating reserve levels and a timeframe for meeting desired reserve targets. This will be accomplished by using a phased approach where necessary to balance with current budget constraints, cash-flow projections and existing reserve balances.

The Board shall establish and maintain specific reserves as follows:

Operating Reserve Fund (“ORF”)

Special Districts, such as the El Dorado Hills County Water District (“the District”), receive Property Tax revenue as their primary source of funds in December and April each year. Because of the timing of this funding, there are multiple months during the year in which cash outflows exceed inflows. The ORF is intended to ensure adequate cash is available at all times for the District to continue in its normal course of business without having to utilize dry period funding. It is also intended to serve as a backup source of funds if an extraordinary event were to occur that disrupts the normal revenue collection cycle.

The ORF shall be funded to cover a minimum of six (6) months of Operating Expenses based on the prior fiscal year adopted Final or Mid-Year Budget.

Capital Replacement Reserve Fund (“CRRF”)

The annual allocation to the CRRF shall be based on the most current Capital Asset Replacement Schedule, as maintained by the Fire Chief. The annual allocation shall be calculated based on the estimated replacement cost of existing capital assets, the estimated year of replacement, and any other known factors that may impact the cost or life of the assets. An annual inflation factor and an investment rate of return will be among the assumptions used in this calculation. In addition, any shortfall identified in the existing CRRF balance shall be amortized over 10 years and added to the calculated annual allocation amount. Alternatively, the Board may elect to fund any shortfall, or any new asset purchase added to the Schedule, utilizing the Operating Reserve Fund in years there is budgeted excess of revenues over expenditures. This additional fund transfer would be approved by the Board in the Final and/or Mid-Year Budget.

The Board shall provide for the annual allocation so as to accumulate sufficient funds to replace, repair or restore the District’s capital assets at the end of their useful lives. This would include future assets to be purchased that are not reasonably expected to be funded by future Development Fees. Except as provided below, the Board shall not expend funds from the CRRF for any purpose other than to purchase, repair, replace or

restore such facilities and equipment as deemed necessary to maintain appropriate levels of service to the community.

The Board may, through the annual and/or mid-year budget process, determine that there are not sufficient funds available to transfer the calculated allocation amount to the CRRF in any given fiscal year. The Board may, by approval of the Final and/or Mid-Year Budget, decide to contribute a lesser amount than the calculated allocation. This shortfall will be amortized and added to the future calculation as described above. The Board may by a supermajority vote (4/5), declare a "financial emergency". With this declaration, funds in the CRRF, up to a maximum of thirty-three (33%) percent, would be available to fund District operations.

Pension Reserve Fund

The Board shall set aside funds restricted for the purpose of managing unfunded Pension liabilities as identified in the annual actuarial report.

- a. At a minimum, the Board will make the annual minimum required employer contribution as calculated by CalPERS to fund the Pension liability for all Safety and Non-Safety plans. This payment shall be made utilizing operating funds and not Pension Reserve Funds, unless a "financial emergency" is declared by the Board by a supermajority vote (4/5).

The maximum weighted average maturity of the portfolio shall not exceed five (5) years.

The controls shall be designed to prevent losses of public funds arising from fraud, employee error, misrepresentation by third parties, unanticipated changes in financial markets, or imprudent actions by employees and officers of the District. Controls deemed most important include; control of collusion, separation of duties, separating transaction authority from accounting and recordkeeping, custodial safekeeping, clear delegation of authority, specific limitations regarding securities losses and remedial action, written confirmation of telephone transactions, minimizing the number of authorized investment officials, documentation of transactions and strategies, and ethical standards.

J. PERFORMANCE STANDARDS

The investment portfolio shall be designed with the objective of obtaining a rate of return throughout the budgetary and economic cycles, commensurate with the investment risk constraints and the cash flow needs.

The quarterly report shall state compliance of the investment portfolio with the Investment Policy and shall include a statement denoting the ability of the District to meet its expenditure requirements for the next six months. Additionally, in accordance with California Government Code Section 53607, the Director of Finance shall provide a monthly report to the Board of Directors detailing all transactions occurring over the immediately preceding month. ADDENDUM 6
(Revised April 21, 2022)
CAPITAL ASSET POLICY

I. Purpose

The purpose of this policy is to define the process for acquisition, valuation and disposal of capital assets for the El Dorado Hills County Water District (“the District”). Proper accounting for capital assets in accordance with the requirements of the Governmental Accounting Standards Board (GASB) and Generally Accepted Accounting Principles (GAAP) ensures the District can prepare accurate financial reports and appropriately safeguard its assets.

II. Definitions

1. District – El Dorado Hills County Water District (Fire Department)
2. Capital Assets – Capital assets include all tangible and intangible assets acquired, fabricated or constructed for use in the District’s operations and have a useful life longer than one year. The District classifies its capital assets into the following categories for reporting purposes:
 - a. Land & Easements
 - b. Buildings/Improvements
 - c. Construction in Progress
 - d. Office/IT Equipment
 - e. Fire Equipment
 - f. Apparatus/Vehicles
 - g. Furniture/Fixtures/Tools
 - h. Radio Communications Equipment
3. Depreciation – Allocation of the cost of a capital asset over its useful life using an acceptable basis.
4. Useful Life – Period of time a capital asset will be of value and use to the District.
5. Salvage Value – Remaining value of a capital asset at the end of its useful life.
6. Historical Cost – Value placed on an asset at the time of acquisition, including ancillary costs required to place an asset in service, such as shipping and installation costs.
7. Acquisition Date – The date the District took ownership of the capital asset.
8. Net Book Value – The original cost of an asset minus any accumulated depreciation.
9. Capitalization Threshold – Required minimum value of an asset as defined by the District to qualify it as a capital asset or expense for accounting purposes.

III. Overview

Capital assets are recorded at historical cost, or if cost is not determinable, at estimated fair market value at the acquisition or in-service date. Although capital assets are broadly defined as having a useful life of greater than one year, the District's policy is to capitalize only assets with a useful life of 3 years or greater. In addition, the District defines the minimum capitalization threshold by category as follows:

Capital Asset Category	Capitalization Threshold
Land & Easements	\$0
Buildings/Improvements	\$50,000
Fire Equipment (SCBA's)	\$1,000
Fire Equipment (Other)	\$3,000
Hose (LDH)	\$3,000
Office Equipment	\$3,000
Radio Communications Equipment	\$3,000
Apparatus/Vehicles	\$3,000
Furniture/Fixtures/Tools	\$3,000

Assets purchased with an individual unit cost below the dollar threshold defined above or with a useful life of less than 3 years will be expensed in the period acquired.

IV. Depreciation

The District's policy is to depreciate its capital assets using the straight-line method of depreciation. The straight-line method expenses an asset evenly over its estimated useful life. The formula used to calculate depreciation expense is as follows:

$$(\text{Cost} - \text{Salvage Value}) / \text{Estimated Useful Life in Years} = \text{Annual Depreciation Expense}$$

Capital Asset useful lives are defined as follows:

Capital Asset Category	Estimated Useful Life
Land & Easements	N/A
Buildings/Improvements	39.5 years
Fire Equipment (SCBA's)	8-15 years
Fire Equipment (Other)	5-15 years
Hose (LDH)	15-20 years
Office Equipment	3-7 years
Radio Communications Equipment	5 years
Fire Apparatus	15 years
Vehicles	5-7 years
Furniture/Fixtures/Tools	3-7 years

Any useful life determinations that vary from the table above must be approved by the Fire Chief.

V. Tracking and Inventory

Capital assets are recorded and tracked from the date of acquisition to the date of sale or disposal. At the end of each fiscal year, the Finance Department will provide the Deputy Chief of Operations with the most current inventory list of capital assets. The Deputy Chief of Operations will distribute the list as appropriate to various program managers to conduct a physical inventory. Results of the physical inventory must be reviewed and signed off on by the Deputy Chief of Operations and returned to the Finance Department within 10 business days.

VI. Disposals/Sales

Capital Assets that are no longer needed in service by the District are submitted to the Board of Directors for approval to surplus. If approved, the assets are then evaluated for sale or disposal. All sales and disposals shall be approved by the Fire Chief or designee.

Sales are made in the form of public sale, auction or donation to a public agency. Any proceeds collected are deposited into the District's General Fund. If the asset was purchased with development impact fees, proceeds from the sale of the asset shall subsequently be transferred back to the Development Fee Fund at the same ratio used for the purchase (i.e. if 75% of the cost of the asset was funded with development fees, 75% of the sale proceeds will be returned to the Development Fee Fund).

Assets determined to be missing during the physical inventory process will be reported to the Fire Chief and written off. Asset write-offs with a remaining net book value shall be submitted to the Board of Directors for approval.

ADDENDUM 8
(Adopted November 16, 2023)
DISTRICT FEE WAIVERS

Purpose

The purpose of this policy is to establish specific criteria and circumstances in which the Board of Directors or the Fire Chief may consider requests to waive District fees, including, but not limited to fees for services provided by the Community Risk Reduction Division, hazardous vegetation abatement fees, administrative fees and development impact fees.

Policy

The Board of Directors or the Fire Chief may consider requests to waive fees charged by the District if one or more of the following criteria are met:

- 1) The fee charged would result in extreme financial hardship for the requesting party. Financial hardship must be demonstrated by providing documentation supporting one of the following circumstances: 1) Loss of employment within 90 days of the fee waiver request; 2) Unexpected medical condition of requesting party and/or qualifying dependent resulting in either a significant loss of income or a significant increase in household expenses due to the required care of ill or injured person; 3) Other demonstrated financial hardship as determined by the Board of Directors or their designee.
- 2) The requesting party can demonstrate that their project has been significantly delayed due to actions taken and/or not taken by the District, which has resulted in a cost to the requesting party that exceeds the amount of the fee;
- 3) The requesting party is a non-profit organization or government agency and can demonstrate that the project for which the fee is imposed will provide a substantial public benefit within the District;
- 4) The project for which the fee is imposed is proven to be an emergency project and will address an unresolved life threatening and/or fire safety issue within the District;
- 5) The project has been damaged or destroyed by either an act or event that has been formally declared a disaster by the District, El Dorado County Board of Supervisors, State or Federal agency;
- 6) The project has been damaged or destroyed by a theft or crime where insurance cannot reimburse the applicable fees.

Procedure

- 1) An applicant applying for a fee waiver shall present a request in writing to the Department Head of the department that charges the fee in question. The request shall contain a description of the project in question along with documentation necessary to establish eligibility for a deferral or waiver.

- 2) An applicant for a fee waiver based upon financial hardship/low-income will be required to certify gross annual income and household size. The department that charges the fee in question will use the annual Department of Housing and Urban Development (HUD) area Median Family Income table to determine eligibility. Current low-income eligibility is set at 80% area Median Family Income (OR persons aged 62 or over on a fixed, very low income as defined by HUD).
- 3) The Department Head will review the request and present it to the Fire Chief. The Fire Chief will approve or disapprove the request for fee waiver in accordance with provisions set forth in this policy and report said waivers to the Board of Directors.
- 4) The Fire Chief shall have the discretion and authority to waive all or a portion of the fees for projects that meet these criteria up to \$500. Fee waivers over \$500 shall require the approval of the Board of Directors.
- 5) A maximum amount of up to \$500 may be waived for each requestor per project per fiscal year (July 1 through June 30), unless approved by the Board of Directors.
- 6) If a previous waiver was granted for the same project, no additional waiver will be granted, unless approved by the Board of Directors.
- 7) Requests for fee waivers in excess of \$500:
 - a. An applicant requesting a fee waiver for any of the qualifying reasons in excess of \$500, must submit a request in writing to the Board of Directors at least 15 days prior to the regularly scheduled Board meeting at which the request will be presented and considered. The request must provide a detailed description of the project for which the fee was charged, an itemized breakdown of the fee(s) paid, and a detailed description of the criteria used to establish eligibility to request the fee waiver. In addition, any required supporting documentation must be clearly organized, labeled, and attached to the written waiver request.
 - b. The applicant shall contact the Board Clerk at least 15 days prior to the regularly scheduled Board meeting and provide them with a copy of the request and supporting documentation to include in the Board packet. The Board Clerk will confirm with the applicant the date and time of the regularly scheduled Board meeting at which their request will be presented and considered.
 - c. The applicant must attend the identified regularly scheduled Board meeting to present their request to the Board of Directors for consideration.
 - d. The Board of Directors will make a determination to grant or deny the fee waiver request. Unless additional documentation is requested, the determination will be communicated to the applicant at the Board meeting that the request is made. A written determination letter will follow.
 - e. The Board of Directors may not reverse a decision previously made on a fee waiver request. As such, it is critical that all applicable evidence is presented by the requesting party at the time of the initial fee waiver request.
